

BEDFORDSHIRE AMATEUR SWIMMING ASSOCIATION

Affiliated to the Swim England East Region

COUNTY RACING RECORDS
February 2021

Introduction (Beds ASA Policies - Section 7 Refers)

7.1 The Association will maintain County Swimming Records in respect of Junior, Senior, Long Course, Short Course for male and female.

7.2 Short Course Records may be made only in pools of 25 metres in length. Long Course records may be made only in pools 50 metres in length. The start and finish shall be at ends of the pool. The senior classification shall have no age limits. In the junior classification, a swimmer shall be under the age of 16 years at midnight on the day of the swim.

7.3 Records may only be set at events run under ASA Laws. If the foregoing conditions are met, the times can only be recognised where the swimmer is entered under the name of a Bedfordshire ASA member club and which are made at:-

- The County Championships
- Age Group Competitions or County Competitions
- Championships (ASA, ASA East Region, ESSA Finals and Divisional Finals)
- A representative match at county or higher level
- Other licensed meets run with AOE

7.4 All applications for records must be made by the swimmer, or his/ her club, to the Secretary of the Association within 21 days of the event using the appropriate record claim form, (which can be downloaded from the Beds ASA web site). Eligible times set at the Bedfordshire ASA County Championships or at an Inter-county event where the swimmer is representing Bedfordshire ASA, will be recognised automatically without claim.

7.5 Separate Long Course, Short Course, male and female records shall also be maintained for all masters age groups.

7.6 Senior County Records may not be set in Masters' Competitions
